

In Support of  
**BREAST CANCER  
RESEARCH**  
Across Canada

Dear Merchant:

This letter is to introduce \_\_\_\_\_ as an authorized representative of the Sweets For A Cause Program in support of Breast Cancer Research. The prime objective of the Sweets For A Cause Program is to raise money for Breast Cancer Research throughout the United States with the hope of creating a future without Breast Cancer.

Each year an estimated 250,000 women and 2,500 men will be diagnosed with Breast Cancer in the United States alone.

By allowing \_\_\_\_\_ to place a Sweets For A Cause Countertop Candy Merchandiser in your premises, you will become a valuable supporter of the dedicated work at these great facilities.

Accessit Corp (the program developer) combined with the owner/operators of the Sweets For A Cause Program hope to donate a minimum of \$100,000.00 to selected Breast Cancer Research Facilities across the United States in year 2. For a complete list of the facilities we support go to [www.sfcbreastcancer.com](http://www.sfcbreastcancer.com).

We appreciate your support for this very important cause by donating just a few inches of your countertop space for the Sweets For A Cause Countertop Candy Merchandiser which offers your patrons, employees or guests the best brand candies in the world
